4 REGISTRATION OF PLAYERS

4.1 Eligibility

4.1.1 A Club may be represented only by players whose registration has been confirmed by the Administrator.

4.1.2 A club may register any player who is not currently registered for another club participating in the same section of the British League.

4.1.3 All players must be affiliated as Compete Plus Members or be registered as Visiting Players.

For details of TTE Affiliation & Registration see Regulations Part J (Affiliation & Registration)

4.2 Registration Procedure

4.2.1 A club must register a full complement of players for each team entered at the time of team entry.

4.2.2 A Club Secretary must lodge with the Executive Officer a completed player registration form at least 48 hours before the start of the next match, except as provided by Regulation 4.2.3.

4.2.3 Players may be registered at any time up to the date specified in Regulation 4.1 of the relevant section regulations providing the player meets the criteria specified in 4.1 and the registration form is submitted with the correct player registration fee.

4.2.4 In an emergency, a Club Secretary may register a player by obtaining oral agreement to registration and ranking from the Executive Officer. A completed player registration form and emergency player registration fee must be sent to the Administrator electronically or by first class post not later than 48 hours after the registration; failure to comply will render the registration invalid.

4.2.5 Except as provided in 4.2.6, no player may be registered or transferred after the date specified in the relevant section regulations, in any season.

4.2.6 In divisions other than the Premier and Senior Championship Divisions, the Executive Officer or Committee of the appropriate British League may in exceptional circumstances allow a replacement registration during the week before the weekend of the matches, provided that the additional player is placed lower on the National Rating List in use for the date of the round in question than the player replaced. The newly registered player and the replaced player cannot subsequently both play in the same round or session.

4.2.7 Clubs in the Junior British League, Women's British League and Veterans British League shall be allowed to register additional players to a team after the first weekend's play, provided that they are rated lower than all other registered players in that team. These players can be registered following the first weekend up to 48 hours prior to the second weekend's play.

4.2.8 In circumstances where the regulations restrict the capability of player that may be registered, the team requesting the registration must declare all relevant information in writing with the registration request so that a dummy rating can be established; if later the Executive Officer or Referee consider the player is more capable than has been disclosed the player will be deemed ineligible and any matches they have played will be awarded to their opponents.

4.2.9 If the player to be registered is currently registered for another club the player registration form must be accompanied by a completed player transfer form.

4.3 A registration shall be valid from the date of its receipt by the Executive Officer until the day following the last fixture of the current season unless previously cancelled by the Committee Secretary

4.3.1 at the request of the club for which the player is registered; or

4.3.2 on the completion of a player transfer form; or

- 5.7 In divisions other than the Premier division, the League Committee may in exceptional circumstances allow a player to be transferred after the date specified in the relevant section regulations, provided that the transferred player is ranked lower than the replaced player on the National Rating list in use on the day of application; the transferred player and the replaced player cannot subsequently both play in the same round or session.

- 8.2 If the withdrawal of a team results in the club having no teams in the League the registrations of all players registered for that club shall be cancelled.
- 8.3 Players that are de-registered as a result of 8.2 are eligible to sign for another club providing they have either not played in the current season or they are registering for a club where they will compete in the same or higher division than the one they were registered in, or were restricted to by having played up, in accordance with the section regulations.

- 1.2 Each division shall consist of not more than eight nor fewer than five teams, as determined by the Committee.
- 1.3 The Committee may decide to have two or more divisions of equal status.

2 PROMOTION & RELEGATION

- 2.1 At the end of each season the highest and second highest teams in each division other than the Premier shall be promoted (subject to Regulations 2.3 and 2.4).
- 2.2 At the end of each season the lowest and second lowest team in each division shall be relegated (subject to Regulations 2.3 and 2.4), but teams in the lowest division so relegated may apply for re-admission.
- 2.3 If there are divisions of equal status, at least one team shall be promoted from each division, and the number of teams to be relegated shall be equal to the total number of teams to be promoted to those divisions. The teams to be relegated shall be provided on an equal basis from each division on the same level; the Committee reserves the right to be satisfied that teams' players meet the required standard of the division in which the team will compete.
- 2.4 There shall be no more than two teams from the same club in any division; where there are two, they must play each other in the first round (session) of each weekend's competition.
- 2.5 The Committee reserves the right to fill divisional vacancies caused by the withdrawal of teams, whether by further promotions or the addition of extra teams.
- 2.6 In the event of there being too many applicants for places available, a play-off competition may be organised by the Committee.
- 2.7 If a team withdraws from any division either before or after completing all its fixtures, the place vacated by that team shall be filled by reducing by one the number of teams relegated from that division.

3 PLAYING FORMAT

- 3.1 Each team shall consist of three players selected from those registered for that team.
- 3.2 A team match shall consist of six singles matches, played in the following order: A v Y, B v X, C v Z, A v X, C v Y, B v Z.

- 3.5 No registered player may represent another team in the same or a lower division.
- 3.6 Clubs which have more than one team in the League may play any of their players from a lower-ranked team in a higher-ranked team, with the proviso that the player may not replace a lower-ranked player; on playing up on three occasions the player becomes a member of the higher-ranked team.

4 REGISTRATION & TRANSFER

- 4.1 The latest date for registration or transfer is 48 hours before the first match of the season.
- 4.2 In divisions other than the Premier Division and Division 1, after the first weekend and up to 48 hours before the first match of the second weekend, a club can register further players for its lowest team provided that their rating points are less than those of the lowest-ranked player already registered for that team.
