# Welcome

**O**n behalf of Table Tennis England, welcome to all our young players, their coaches, parents, supporters and our volunteers to the Inter-Regional Championships.

This weekend sees teams from 10 regions compete over team and individual events, with all the results going towards deciding the winning region, which will lift the Tonge Trophy. Although table tennis is largely an individual sport, the team element on display this weekend is sure to add another layer of competitiveness as well as building bonds between team-mates, coaches and spectators from every region.

The young players here today are at the start of their careers, and who knows where those careers may take them? Our current elite international players all started out at events similar to this before going on to reach the highest levels of the sport, including the European and World Championships and even in some cases the Olympic Games. It shows what can be achieved through talent, dedication and hard work!

Every player here this weekend should be proud to have earned their place and to be representing their region.

I would like to thank all the volunteers, officials and Table Tennis England staff members who work so hard behind the scenes to ensure this event runs smoothly and is enjoyable for everyone who takes part. In particular, thanks to the team at WV Active; to our Official Equipment Suppliers TeesSport and Ball Supplier Topspin Sports; and to referee Kim Mudge-Johnson and her team.

I hope you all have a wonderful weekend.
