Welcome . . .

It is my pleasure to welcome you all to the 2024/25 season of the County Championships.

These championships remain one of the biggest events on our calendar and combine the individual side of our sport with the best elements of team play – competing alongside colleagues and supporting each other towards shared objectives, which renewing old friendships and rivalries and creating new ones.

The event also presents an opportunity for players to represent their counties – an honour no matter which end of their careers they are at.

As ever, a lot of hard work goes on within each county to ensure every age group runs smoothly, and I would like to thank all our dedicated volunteers around the country for the time, enthusiasm and expertise they put into this event.

A particular thanks to all our committee members, to the organisers of the various age groups; to Referee Brian Jackson and Deputy Referee Margot Fraser; and to the team from the Table Tennis England events department.

Last but by no means least, thanks to our Official Ball Supplier for 2024/25, Bribar.

I hope these County Championships are enjoyable and create more wonderful table tennis memories for you all.

Nick Donald
Chair of Table Tennis England

27 APPEALS

- 27.1 Any appeal by a County against forfeiture or fine must be sent to the Administrator in triplicate accompanied by Fee No 7 in Annex B bearing a postmark not later than 14 days after the date of the postmark (or email) on the notification of forfeiture or fine.

To this end, the Match Referee should have available with at the match a copy of the relevant Laws, Rules and Regulations.
 - 2.2 The Match Referee or Organiser is responsible for the allocation of a table for each match during the weekend, which should be arranged so that, as far as possible, no team plays more than one match on the same table during the weekend.
