Dummy Changes – January 2016

The Dummies comparing ITTF Ratings with English Ratings were reviewed for January 2016

The ITTF list used for comparison is created using our own numbering including ALL players listed. ie all players that have played in the last 4 months as listed by the ITTF as the ITTF is skipping all players who have not played in the last month in their new numbering.

Dummies will therefore from this time forward, until the next review in August 2016, be calculated against the values listed.
