

P ANTI-DOPING REGULATIONS

- 1 The anti-doping regulations of the ETTA are the UK Anti-Doping Rules published by UK Anti-Doping (or its successor), as amended from time to time. Such rules shall take effect and be construed as Regulations of the ETTA with the addition of the supplemental provision set out in 2 below.
- 2 It is acknowledged that there is an agreement in place between British Table Tennis Federation Limited, English Table Tennis Association Limited, Table Tennis Scotland, Table Tennis Wales and Irish Table Tennis Association Ulster Branch that Team GB Athletes will be subject to the jurisdiction of the ETTA whilst acting in their capacity as Team GB members, but that the result management process and investigation of possible anti-doping rule violations arising out of such Testing (including as to the conduct of any hearing and the imposition of any applicable sanctions) will be governed by and conducted in accordance with the anti-doping rules of the national governing body for the sport of table tennis in the country to which the Team GB Athlete is affiliated. For the avoidance of doubt, all Team GB Athletes therefore agree to submit to the jurisdiction of the ETTA for the purposes of Testing of Team GB members only and acknowledge that the result management process following such Testing will be conducted, in the case of a Team GB Athlete who is a member of
 - 2.1 English Table Tennis, by the ETTA in accordance with the ETTA anti-doping regulations;
 - 2.2 Scottish Table Tennis, by Table Tennis Scotland in accordance with Table Tennis Scotland's anti-doping regulations;
 - 2.3 Welsh Table Tennis, by the Table Tennis Association of Wales in accordance with the Table Tennis Association of Wales anti-doping regulations;
 - 2.4 Northern Ireland Table Tennis, by the Irish Table Tennis Association, Ulster Branch in accordance with the Irish Table Tennis Association, Ulster Branch, anti-doping regulations.
- 3 The UK Anti-Doping Rules are published in full on the ETTA website.
