

Some-PING!

is happening with
Sport Makers

Sport Makers & Ping!...

Ping! is the street ping pong festival which sees tables placed all over a town or city, for everyone to use and enjoy for free! From cathedrals to parks, galleries to stations, shopping centres to public squares and even airports; the tables go everywhere!

Since 2010, Ping! has hit 13 cities, placed over 500 tables along the way, and encouraged more than **half a million** people to pick up a bat and play; making it one of the biggest mass participation sports events in the country!

To encourage play and help bring the fun, we run a bunch of events from big launch parties and King 'O' Ping! finales to Smash the City comps and Bat Making Sessions, plus our epically popular pop up social club The Ping! Parlour...and we always need enthusiastic people to help us make it happen.

Get Involved Right Now...

If you would like to get involved right now, then we're looking for Ping! Makers to help organise events for all those people who have dusted off their bats during Ping!, sharpened up their topspins, and have the appetite to keep playing...

- Many tables are still around the cities, whilst others have been donated to local community organisations...all just waiting for someone to arrange fun events, competitions and challenges!
- Instant Ping! Pong; our all-in-one ping pong starter pack that can turn any table or flat surface into a ping pong activity centre instantly. From the dining room to picnic tables...just add people and get playing! www.instantpingpong.co.uk

Can't get involved right now? Don't worry. Ping! is off to more cities in 2013 and we'll need help...just get in touch and let us know when and where you would be able to volunteer.

Become a Ping! Maker...

We'll provide you with the support you'll need...and all we ask for in return is your enthusiasm, time, and fun ideas. It really doesn't matter how good you are, the idea of Ping! is for people to pick up a bat, play, get active, and have fun.

We hope that being a Ping! Maker is only the start of your journey in table tennis; we've loads on offer for our volunteers, from coaching to umpiring, organising competitions to running clubs, and even helping to deliver national tournaments. There is something for everyone!

Training is available for lots of our roles and many of our courses are nationally recognised qualifications, which will look great on your CV.

Interested...

Think you would like to be a Ping! Maker and part of the Ping! Team then email jrogers@etta.co.uk today and come and join in the fun!
