FOREIGN PLAYERS

These dummies were calculated from the top 30% of the ITTF World List. If a foreign player does not appear within this criteria their dummy rating will be entered as zero apart from those players that regularly play in English tournaments.

Whilst every care is taken that the data inserted into the computer is accurate, the occasional error is inevitable.

The ETTA accepts no responsibility of any kind for such errors and their consequences.

Any mistake will be investigated and an audit trail posted to the player. The cost is £5 which will be refunded if the complaint is justified. Proven errors will be rectified in a subsequent list.

Any queries from the list should arrive within three weeks of the list publication date and be sent to:-
