

Table Tennis England

Suppliers of Jackets and Ties for the Umpires' Uniform

1. Navy Blue Single-breasted Jacket

This jacket is available for purchase from a wide variety of suppliers such as High Street stores, supermarkets and a variety of internet websites. Purchase from High Street stores and supermarkets would enable you to test a jacket for suitability and correct fitting at the point of purchase. Prices do of course vary, however the large number of potential suppliers should hopefully enable you to source a jacket at a reasonable price.

2. Royal Blue Single-breasted Jacket

The Royal Blue jacket is being phased out as part of the official uniform; it is therefore recommended that if you need to acquire a jacket for the official uniform then a Navy Blue jacket should be purchased.

3. ETTA Umpires' Blue Tie

These are available at a cost of £8.00 inc. VAT, postage and packing directly from the Table Tennis England office. Please contact the office at the following address:-
