4A. Each Schools County Association shall be entitled to enter one player in each of the events. This player should be the champion arising from the Schools County Association’s Individual Singles Championships of the current season played in the eight age categories above. The player’s school, academy or college (hereafter referred to as a school) must be affiliated to the appropriate Schools County Association. The Table Tennis England Schools' Committee is agreeable for counties to allow 'home educated pupils' to compete in their event and furthermore, represent their county, if appropriate, in the English Schools' Table Tennis Individual Championship Finals.

4B. The acceptance of an entrant other than the current champion as representative of a Schools County Association shall be solely at the discretion of the Championships Committee. These Championships shall be administered by a Sub Group of the Table Tennis England Schools' Committee. The decision of this Committee shall be final on all matters (see Rule 5).

4C. Pupils may be nominated who leave school at Easter 2020, but who were in full-time education for the Autumn Term of 2019 and the Spring Term of 2020.

4D. Entry shall be effected by the completion of Forms S1 and S1R by the Schools County Secretary for return to the National Individual Competition Organiser on or before 23rd February 2020 indicating in which events the Schools County Association shall be represented and submitting the entry fee of £26.00 per event entered. Each Schools County Association will be required to provide details of the name of each entrant on Form S1 with contact email/telephone number.

4E. County Secretaries will also be asked to nominate the appropriate player (i.e. County Championship Runner-up) who in case of emergency, late illness or unavailability of the player nominated on Form S1 will take their place. Only the Championships Committee, if fully satisfied, will be empowered to accept a substitute who must have played in their own County Individual Championship.
4F. Each Schools County Association shall then forward Form S2 to the National Individual Competition Organiser on or before 6th March 2020. Form S2 must give full details of the representative players and be signed by the entrant’s Headteacher or Deputy Headteacher signifying their support and approval.

4I. For each match in a group 2 match points will be awarded for a win, 1 match point for a loss in a played match and 0 match points for a loss in an unplayed or unfinished match. The ranking order shall be determined primarily by the number of match points gained. If two or more members of the group have gained the same number of match points their relative positions shall be determined by the results only of the matches played between those being equal taking successively the ratio of wins to losses in games and points.

4J. The group winners and runners-up will then proceed to determine the championships on a knock-out basis.

4K. Notwithstanding Rules 4H, I and J, depending on the number of entries received the Championships Committee is empowered to employ a straight “knock-out” and consolation system of play.

6. A county may enter two girls in the Under-19 National Finals. At least one of the two girls must fall within the Under-19 age group. The current regulations will apply to the second player and/or for a single entrant. (More details will be given on the appropriate entry forms)
