

# Training course for Referees

**Sunday October 9<sup>th</sup> 2016**

**Coventry**

**Holiday Inn, London Rd, Ryton on Dunsmore, Coventry, CV8 3DY.**

We have arranged this to take place on a date where the calendar showed no tournaments so I hope you are available to attend. There are limited places available so you will gather this is targeted at those who have either the intention to attend an IR School; or to be involved with National Events or a Grand Prix in England.

I would appreciate an early response so we can tailor the course content to those attending. Stuart Sherlock should be with us following his role as Referee at the Olympics in Rio.

## Learning Objectives

We will look to refresh on the role of the referee at major events. Be aware of pre-event planning and preparation and look at how we utilize the ITTF Referee's Tool Kit.

By the end the course the candidates will be able to:

- ⇒ Enhance your understanding of match scheduling and requirements
- ⇒ Identify the roles of the 'event team' and lead them to deliver a well organised high quality and enjoyable tournament for participants
- ⇒ Developing our Match Officials briefing; Racket Control and Drug Testing requirements and the Referee's role.
- ⇒ The role of the Jury at a National or International event.
- ⇒ Deal with queries competently and in a customer friendly manner at the event, avoiding confrontation.
- ⇒ Know how to gain experience through mentoring, to keep England at the forefront of first class refereeing

**To book places please return the form below by email to Karen Tonge MBE no later than Friday September 23<sup>rd</sup> 2016. Don't hang around – limited places available!**
