

GAME BUCKET BALL

LEARNING OBJECTIVE

- Hit a controlled ball into the bucket
- Read the flight and direction of the ball - bouncing, rising and falling
- Keep face of bat aiming towards the target
- Correct grip

ACTIVITY

Each player had a bat and ball. Player 1 drops the ball in front of them and hits a controlled shot into the box.

COMPETITION

How many balls can be hit into the bucket within 2 minutes?

ORGANISATION

- Equipment: balls, bats, box or bucket (table optional)
- Position players at the side of the area to demonstrate

EASIER

- Catch the ball in a bag or bucket
- Use a bigger ball or sponge ball

HARDER

- Smaller target. Player 1 serves to Player 2 and Player 2 hits a controlled shot into the box.

DISCOVER

- Where should you meet the ball to play it?
- Where was the face of your bat aiming when you hit it?
- How long was your back swing and follow through while hitting the ball?
