

Step 4 – Ensure your Club’s key policies and documents are up to date

The 3 main policies a Club should regularly review are;

- Club Constitution (or similar governing documents)
- Safeguarding Policy
- Equity Policy

As a Club, these policies provide clear guidelines for committee and members alike as to how a club should operate.

PremierClubs are often Table Tennis England’s first port of call when signposting potential new players. A basic level of governance and procedure gives us greater confidence in signposting potential new members to you.
