

OUTDOOR TABLE TENNIS

How to play safely during lockdown

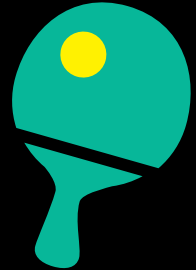

Information correct as at 10.5.2020

Wipe down the table before and after use with antibacterial wipes

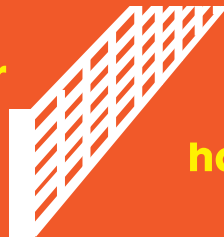

Bring your own bats & balls - do not share

if you're not with someone from your own household...

...Use different colour balls ...

...and only handle your own!

Keep 2m distance at all times

Do not change ends!

Don't play doubles unless with others from your household

Avoid handshakes or other physical contact!

If you are showing coronavirus symptoms, or if you or any of your household are self-isolating, you should stay at home and not use the facilities
