## ADVICE ON CHOOSING THE VENUE & TIME:

The choice of venue is important. Many clubs have the perfect space to run a TT Kidz session already, and some clubs might need to choose a different venue, dependent on venue/time availability, etc.

TT Kidz sessions are made up of both off and on table activities. The off-table activities are generally in the first half of the hour long session, and the on-table activities are in the second half.

If you're unsure whether the venue you have in mind is suitable, please don't hesitate to get in touch, and we'll happily advise you.

The ideal time for TT Kidz is somewhere between 5pm and 6:30pm, or weekends.

Please confirm all the above in the google form, however, if you have any questions contact: [ttkidz@tabletennisengland.co.uk](mailto:ttkidz@tabletennisengland.co.uk)

Activators will be required to have a DBS check in place and your session will need to have a registered first aider on site.
