

# Mentor Profile

## Gordon Fearn

Gordon is an expert table tennis coach and boasts a well-rounded knowledge of sport in general. Gordon has produced a number of national champions and national team players, over a number of generations as well as working closely with a Paralympic Gold Medallist.

He's incredibly skilled at keeping his audience engaged, whether that is a class of school children or a group of high-performance athletes, as well as a proven track record of upskilling his athletes with his superior knowledge of understanding how people learn. He has expert knowledge around fundamental movement skills and how to implement that into your table tennis coaching.
