# Welcome messages

I'm very pleased to welcome you all to the University of Warwick for the Mark Bates Ltd U10-U13 National Championships.

We have all had a long wait to return to national competition while the various restrictions have been in place during the pandemic. Although it is still being held under covid protocols, it is an important step forward to be able to organise this prestigious tournament and the Cadet & Junior Nationals next weekend.

Although play has been curtailed in the past 15 months or so, all the players here this weekend have still had to work hard to earn their places in the competition. Everyone who is participating should be proud of what they have already accomplished – there are not many who can say they competed against the best at the National Championships!

Events like this don't happen with a team of people working hard behind the scenes. I would like to thank all the volunteers, officials and staff members who have contributed so much to ensure this event runs smoothly and is enjoyable for everyone who takes part. In particular, thanks to the team here at the University of Warwick; to our event sponsors Mark Bates Ltd for their ongoing support of an commitment to our sport; to our Official Equipment Suppliers, Tees Sport; our Table Tennis England staff and to referee Steve Smith and the team.

Finally, good luck to all the players. I hope you rise to the challenge, enjoy and learn from the experience, achieve the best you can and aspire to achieve more in the future.

---

I would like to welcome you all to the 2021 U10-U13 Table Tennis National Championships at the University of Warwick.

I am very excited to be supporting such a prestigious event and delighted that we can go ahead with the competition.

The youth National Championship events have a very special place in my heart. For years my children were keen participants in these competitions, with both Emily and Michael going on to win titles. Some of my current employees have also participated in these championships and have fond memories themselves.

It is fantastic that some of our younger members are able to come together in July to play this great sport, reigniting those friendships and rivalries that come from being involved in the competition circuit or being a member of one of the many clubs across the country.

I wish you all the best the very best of luck with your matches.

Recast is a multi-sport, subscription-free app which provides dynamic content including live sport, highlights and behind-the-scenes footage, to supporters.

By watching that footage, supporters help to generate income for Table Tennis England, at no cost to themselves.

Each live stream will cost 50 casts, which you can earn simply by signing up and watching adverts. You will then have access to that live stream for the entire day!
